Good Afternoon members of the PNZ Board,

As a lifelong citizen of Pompano Beach I am writing this letter to express my full support for the McNab House and Botanical Garden project. When I saw the presentation for this, I was in complete awe. It promises to be a one-of-a-kind destination that my kids and I will enjoy daily. What a wonderful space to immerse oneself in nature, away from the daily hustle and bustle of life.

I am in full support of this initiative and sincerely hope you approve it without hesitation. I am beyond excited about this project and am confident it will positively impact generations to come.

Sincerely,
Kelly McMahon
