**F. PRELIMINARY APPLICATION REVIEWS (PAM)**

All comments made by the Broward Sheriff's Office regarding your plan are preliminary only, as additional SECURITY STRENGTHENING & CPTED attributes may be required as development progresses.

**G. ADDITIONAL PROJECT FEATURES AFFECTING CPTED/ SECURITY STRENGTHENING**

Any project features that may affect the principles & goals of Security Strengthening & CPTED on any of the other plan sections should also be included in the CPTED/ Security Plans. As an example: If a picket style see-through perimeter fence has its Natural Surveillance advantage eliminated because there are plans to install opaque screening over all &/or sections of the perimeter fence, then this information must be included in the CPTED/ Security Narrative Plan & Drawing Diagram for further analysis by the BSO Security Plan reviewer.

**H. SECURITY PERSONNEL YES \_\_\_\_\_ OR NO X**

If this project includes a dedicated on-site Security Guard(s) &/or Loss Prevention Employees, provide the hours of operation & scope of duties such as active patrol of the interior / exterior, stationary location inside / outside, monitoring security surveillance video, uniformed, plain clothes, etc. Please incorporate this information into your CPTED Narrative & Drawing Diagram.

**I. LATE-NIGHT BUSINESS NOW OR LATER? YES \_\_\_\_\_ OR NO X**

Must indicate if there will be any late-night business operations planned for this property, or the option to have one in the future. Municipal ordinance requires additional special conditions to be met for any late-night business, therefore all development projects, new & retrofit, must include the required conditions for a late-night business to legally open & operate. If a development project is authorized & completed without including all the late-night business safety & security conditions, it cannot open after the fact until all the required conditions are first met which may result in much more additional costly & disruptive retrofit construction alterations, etc.

Please Note: Opening any Late-Night Business without meeting the conditions in the law may also result in additional statutory penalties.
