GENERAL CONDITIONS:

1. The terms, conditions, requirements, limitations and restrictions set forth herein are accepted by the licensee and must be completed by the licensee and are enforceable by EPGMD pursuant to the Code. EPGMD will review this license periodically and may revoke or suspend the license, and initiate administrative and/or judicial action for any violation of the conditions by the licensee, its agents, employees, servants or representatives.
2. This license is valid only for the specific uses set forth in the license application and any deviation from the approved uses may constitute grounds for revocation, suspension, and/or enforcement action by EPGMD.
3. In the event the licensee is temporarily unable to comply with any of the conditions of the license or with the Code, the licensee shall notify EPGMD within eight (8) hours or as stated in the specific section of the Code. Within three (3) working days of the event, the licensee shall submit a written report to EPGMD that describes the incident, its cause, the measures being taken to correct the problem and prevent its reoccurrence, the owner's intention regarding the repair, replacement and reconstruction of destroyed facilities and a schedule of events leading toward operation with the license condition.
4. The issuance of this license does not convey any vested rights or exclusive privileges, nor does it authorize any injury to public or private property or any invasion of personal rights, or any violation of federal, state or local laws or regulations.
5. This license must be available for inspection on the licensee's premises during the entire life of the license.
6. By accepting this license, the licensee understands and agrees that all records, notes, monitoring data and other information relating to the construction or operation of this licensed facility or activity, that are submitted to the County, may be used by the County as evidence in any enforcement proceeding arising under the Code, except where such use is prohibited by Section 403.111, F.S.
7. The licensee agrees to comply and shall comply with all provisions of the most current version of the Code.
8. Any new owner or operator of a licensed facility shall apply by letter for a transfer of license within thirty (30) days after sale or legal transfer. The transferor shall remain liable for performance in accordance with the license until the transferee applies for and is granted a transfer of license. The transferee shall be liable for any violation of the Code that results from the transferee's activities. The transferee shall comply with the transferor's original license conditions when the transferee has failed to obtain its own license.
9. The licensee, by acceptance of this license, specifically agrees to allow access and shall allow access to the licensed source, activity or facility at times to EPGMD personnel for the purposes of inspection and testing to determine compliance with this license and the Code.
10. This license does not constitute a waiver or approval of any other license, approval, or regulatory requirement by this or any other governmental agency that may be required.
11. Enforcement of the terms and provisions of this license shall be at the reasonable discretion of EPGMD, and any forbearance on behalf of EPGMD to exercise its rights hereunder in the event of any breach by the licensee, shall not be deemed or construed to be a waiver of EPGMD's rights hereunder.

SPECIFIC CONDITIONS:

1. This license is valid for construction of a sewage collection/transmission system and/or a reuse distribution system, or a WWTP modification only. All connections to the system must be approved by EPGMD prior to the issuance of a building permit.
2. Any deviation from approved plans and/or specifications affecting capacity, flow, or operation of components shall be submitted to and approved by the EPGMD before such changes are made.
3. The applicant shall be responsible for supplying as-built or record drawing(s) to EPGMD upon completion of the project. Such drawing(s) shall be signed and sealed by an Engineer registered in the State of Florida and be based on accurate records maintained by the Engineer or by a Land Surveyor currently registered in the State of Florida. Drawing(s) shall indicate locations and elevations of all pipe lines, manholes, pump stations and appurtenances installed under this project's license. Connection to the new system shall not be approved until the as-built (or record) drawing(s), certification documentation, and fees have been provided to and approved by EPGMD.

SPECIFIC CONDITIONS (Continued From Page 2)

4. (Private Sanitary Sewage System Maintenance Requirements) A copy of the condominium, homeowners, or property owners association documents shall be submitted with the Certification of Completion of Construction documentation. The documents shall contain language that affords assurance for appropriate future operation and maintenance of the system in accordance with the rule 62-604.500, F.A.C.
5. (Private Sanitary Sewage System [Gravity Only]) The minimum requirements for Certification of Completion of Construction are: (1) a service boundaries agreement with the local sewage system maintenance authority, defining the extents of responsibility and areas served, to include under what conditions the Private System would not be permitted to operate; (2) service agreements with private and public entities (Note: The private service contract(s) shall have a termination clause requiring the contractor to notify ELBPD Wastewater Section (954) 519-1256 at the time of contract termination); (3) lamping reports, leakage tests, etc.; (4) a description of the system, along with an 8-1/2" x 11" plan; (5) one set of certified record drawings. ELBPD will review and issue a letter of approval to all parties.
6. A portable document format (PDF) of the as-built site plan which clearly displays the contents of the project as well as its service boundaries shall be submitted to ELBPD by email or via a disc file at the time of Certification of Completion of Construction. At least one of the nearest street intersections shall be also labeled on the exhibit for ease of geographical reference.

ISSUANCE DATE:	09/03/2021
EXPIRATION DATE:	02/01/2023
COUNTY:	BROWARD
PROJECT:	Pompano Townhomes

NOTICE OF PERMIT ISSUANCE

The Department's proposed agency action shall become final unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, Florida Statutes, within fourteen days of receipt of notice. The procedures for petitioning for a hearing are set forth below.

A person whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000.

Petitions by the applicant or any of the persons listed below must be filed within fourteen days of receipt of this written notice. Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), Florida Statutes, must be filed within fourteen days of publication of the notice or within fourteen days of receipt of the written notice, whichever occurs first. Under Section 120.60(3), Florida Statutes, however, any person who has asked the Department for notice of agency action may file a petition within fourteen days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition within fourteen days of receipt of notice shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, Florida Statutes. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, Florida Administrative Code.

A petition that disputes the material facts on which the Department's action is based must contain the following information:

- The name, address, and telephone number of each petitioner; the name, address, and telephone number of the petitioner's representative, if any; the Department permit identification number and the county in which the subject matter or activity is located;
- A statement of how and when each petitioner received notice of the Department action;
- A statement of how each petitioner's substantial interests are affected by the Department action;

P&Z

PZ21-12000003
10/27/2021

- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A statement of facts that the petitioner contends warrant reversal or modification of the Department action;
- (f) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief; and
- (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wants the Department to take.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Department's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the Department have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation under Section 120.573, Florida Statutes, is not available for this proceeding.

This permit action is final and effective on the date filed with the clerk of the Department unless a petition is filed in accordance with the above. Upon the timely filing of a petition this permit will not be effective until further order of the Department.

Any party to the permit has the right to seek judicial review of the permit action under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, with the clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida, 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when this permit action is filed with the clerk of the Department.
