

Ocean Park Sustainability Narrative

Project Location: 1508 North Ocean, Pompano Beach, Florida 33062

Project Description: The Ocean Park project is requesting approval of a Major Site Plan and Major Building Design application to allow a 28-unit mixed use multi-family/commercial development. The project expects to obtain 12 sustainability points as required by Article 5, Part 8 of the City of Pompano Beach Zoning Code as required for mixed use projects.

This project will be generating points from the following categories found in Table 155.5802:

- Infill/Mixed Use Building (4)
- Efficient Cooling/Energy Star (2)
- Overhangs on South Facing Windows (2)
- Sustainable Landscaping (2)
- Hurricane Resistant Structural System (4)
- White Roof (2)
- Green Building/LEED Certified (2)
- Parking Structure (2)

Total: 20 Points

Respectfully Submitted,

Andrea Harper
