To whomever this may concern,

The property of 344 NW 6th St Pompano Beach FL 33060 will have two separate trash rooms on each side of the building shown on page A-2. Each trash room will contain 4 containers for garbage (1 for each apartment). The trash rooms will be secured with lock and key given to each resident and the door will lock automatically after each person closes the door. The condo will be responsible for taking out and putting back the trash receptacles on collection days. The residents of the building will be responsible for throwing out their own trash in the trash rooms. If the residents leave trash in any location that is not in the trash in the trash rooms, they will be fined. If any questions arise about the building, do not hesitate to ask at 786-444-7469 or at fullserviceusa@gmail.com.

Sincerely,
Ariel Cusnir
General Contractor
