Voting was narrowed down from 26 submitted designs to the following 6 artists:

1. Tyler Kay: Eliminated
2. Matt Lively: Eliminated
3. Pablo Azar: Eliminated
4. Kellie Bowman: Eliminated
5. Fabio Concalves: Yes
6. Marcos Conde – Eliminated

Laura Atria will check with the city to see if the drainpipe can be relocated and/or removed. She will also speak with the selected artist to work on tweaking his design to fit the wall if the drainpipe cannot be removed.

MOTION was made by Mimi Botscheller to select Fabio Concalves' design for the Artist Alley Mural as long as he can adapt and incorporate the drainpipe into his design and if any changes are made to his design it must be approved by the committee. Motion was seconded by Marie Goodrum Johnson. All in favor of the Motion. Motion passed unanimously.
