

AGREEMENT FOR PROFESSIONAL/CONSULTING SERVICES

THIS PROFESSIONAL/CONSULTING SERVICES AGREEMENT is made and entered into this _____ day of _____, 2020, by the City of Pompano Beach, a Florida municipal corporation (“City”) and Chen Moore and Associates, Inc., a Florida corporation (“Consultant”), collectively referred to as “the Parties.”

WHEREAS, City advertised RFQ E-21-19 in May 23, 2019, requesting firms to submit qualifications and experience for consideration to provide professional consulting services to the City for the design, bidding, and construction phase services to the City for the Stormwater Improvements for N.E. 27th Ave. & 16th St. (Project I) and for Atlantic Blvd & S. Riverside Dr. (Project II) (“Project”);

WHEREAS, City desires to retain Consultant to provide professional architectural design and engineering consulting and related services, which Consultant is capable of providing under the terms and conditions described in this Agreement.

NOW, THEREFORE, in consideration of those mutual promises and the terms and conditions set forth hereafter, the parties agree as follows:

1. Contract Documents. This Agreement consists of the Scope of Work (“Exhibit A”), the Insurance Requirements (“Exhibit B”), and RFQ E-21-19 and the Consultant’s Response (“Exhibit C”), all of which are attached and made a part of this Agreement. It is further agreed that no modification, amendment or alteration in the terms or conditions shall be effective unless contained in a written document executed with the same formality and off equal dignity as this Agreement. None of the provisions, terms and conditions contained in this Agreement may be added to, modified, superseded or otherwise altered, except by written instrument executed by the parties in accordance with Paragraph 24, Waiver and Modification. In the event of any conflict or inconsistency between this Agreement and the provisions in the incorporated Exhibits, resolution shall be attained by giving precedence in the following order: (i) this Agreement, (ii) Exhibit “A”, and (iii) Exhibit “C”.

2. Scope of Work. Consultant shall provide the services set forth in Exhibit “A”, including all necessary, incidental and related activities required for full and complete performance of this Agreement (“Scope of Work”). This Agreement does not delineate every detail and minor work task required to be performed by Consultant to complete the Project. During the course of the Services included in this Agreement, if Consultant determines that work should be performed to complete the Project and, in Consultant’s opinion, that work is outside the level of effort originally anticipated, whether or not the Scope of Work identifies the work items, Consultant shall notify the City’s Contract Administrator in writing in a timely manner before proceeding with the Work. If Consultant proceeds with such work without notifying the City’s Contract Administrator, the Work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Work. Notice to City’s Contract Administrator does not constitute authorization or approval by City to Consultant to perform the Work. Performance of

work by Consultant outside the originally anticipated level of effort without prior written City approval shall be at no additional cost to City.

3. City shall assist Consultant by placing at Consultant's disposal all information City has available pertinent to the Project, at no charge, including previous reports and any other data relative to design or construction of the Project. City shall arrange for access to, and make all provision for, Consultant to enter upon public and private property as required for Consultant to perform its Services. City shall review any itemized deliverables and documents required to be submitted by Consultant and respond in writing with any comments within the time set forth in Exhibit A. City shall give prompt written notice to Consultant whenever City observes or otherwise becomes aware of any material defect in the work of the Contractor or other material development that affects the scope or timing of Consultant's Services.

A. Consultant agrees to meet with City at reasonable times after reasonable notice.

B. Consultant acknowledges that it is aware of all the duties and responsibilities and agrees to perform such duties and responsibilities in a professional manner.

C. Notwithstanding any other remedy otherwise available to City, where the work product of Consultant is found to be deficient for the purpose for which it was produced, Consultant shall correct the deficiency at no cost to City.

D. Consultant shall pay its subconsultants, subcontractors and suppliers consistent with Chapter 218, Florida Statutes.

4. Term. The term of this Agreement shall begin upon complete execution by all Parties and shall end one (1) year from the anniversary of that date, provided that either party shall have the right to terminate this Agreement as set forth below.

5. Extension. In the event City determines Consultant to be in full compliance with this Agreement and Consultant's performance to be satisfactory, the City Contract Administrator, with City Commission approval, may extend the term of this Agreement for one (1) year term beyond the term established above. The exercise of this option shall be by written notification issued by the City Contract Administrator and furnished to Consultant not less than sixty (60) days prior to the termination date of this Agreement.

6. Maximum Obligation. City agrees to pay Consultant as compensation for performance of all services as related to the Scope of Work as required under the terms of this Agreement, including salary costs and reimbursables. It is understood that the method of compensation is that of "maximum amount not-to-exceed" which means that Consultant shall perform all services set forth for total compensation in the amount of or less than that agreed to by City and Consultant for the Project.

7. Price Formula, Payment and Invoices.

A. Price Formula. City agrees to pay Consultant for performance of the Work set forth in this Agreement as follows:

Services and reimbursable expenses shall not exceed five hundred and two thousand nine hundred and sixty Dollars (\$502,960.00).

B. Payment. Consultant shall submit invoices to City in accordance to the fee schedule for each task under Exhibit "A", on a monthly basis, based on the progress of each task. All payments by City shall be made after the Work or task described in the Invoice has been verified as completed. Unless disputed by City as provided below, following City's receipt of a Proper Invoice as defined in §218.72, Florida Statutes, as amended, City shall forward Consultant payment for services as defined under Exhibit "A" Compensation. The City shall not be liable for any reimbursable expenses that have not been approved in advance, in writing, by City's Contract Administrator.

C. City may temporarily remove for review any disputed amount, by line item, from an invoice and shall timely provide Consultant written notification of any such disputed charge. Consultant shall provide clarification and a satisfactory explanation to City, along with revised copies of all such documents if inaccuracies or errors are discovered, within ten (10) days of receipt of City's notice of the disputed amount.

D. In the event City has a claim against Consultant for Work performed pursuant to this Agreement, which has not been timely remedied in accordance with the provisions of this Paragraph, City may withhold payment for the contested amount, in whole or in part, to protect itself from loss on account of defective Work, claims filed or reasonable evidence indicating probable filing of claims by other parties against Consultant, or Consultant's failure to make proper payments to subcontractors or vendors for material or labor. When the reason(s) for withholding payment are removed or resolved in a manner satisfactory to City, payment shall be made.

E. Resolution of improper payment requests or invoices shall be in accordance with §218.76, Florida Statutes, as amended.

8. Disputes. Any factual disputes between City and the Consultant in regard to this Agreement shall be directed to the City Manager for the City, and such decision shall be final.

9. Contract Administrators, Notices and Demands.

A. Contract Administrators. During the term of this Agreement, the City's Contract Administrator shall be Anthony Alhashemi and the Consultant's Contract Administrator shall be Jason McClair (or their authorized written designee) as further identified below.

B. Notices and Demands. A notice, demand, or other communication hereunder by either party to the other shall be effective if it is in writing and sent via email, facsimile, registered or certified mail, postage prepaid to the representatives named below or is addressed and delivered to such other authorized representative at the address as that party, from time to time may designate in writing and forward to the other as provided herein.

10. Ownership of Documents and Information. All information, data, reports, plans, procedures or other proprietary rights in all Work products, developed, prepared, assembled or compiled by Consultant as required for the Work described in this Agreement, whether complete or unfinished, shall be owned by the City without restriction, reservation or limitation of their use and made available at any time and at no cost to City upon reasonable written request for its use or distribution as City deems appropriate, provided City has compensated Consultant for such Work product. City's re-use of Consultant's Work product shall be at its sole discretion and risk if done without Consultant's written permission. Upon completion of all Work or termination of this Agreement, copies of all of the above documents shall be promptly delivered to the City's Contract Administrator upon written request. The Consultant may not disclose, use, license or sell any work developed, created, or otherwise originated pursuant to this Agreement to any third party whatsoever. The rights and obligations created under this Paragraph shall survive the termination or expiration of this Agreement.

11. Termination.

A. City shall have the right to terminate this Agreement, in whole or in part, for cause by the Consultant, if the Consultant has not corrected the breach within ten (10) calendar days after written notice to Consultant identifying the breach. If the City erroneously, improperly or unjustifiably terminates for cause, such termination shall be deemed a termination for convenience, which shall be effective thirty (30) days after such notice of termination for cause is provided.

B. Termination for convenience shall be effective on the termination date stated in written notice provided by the City, which termination date shall be not less than thirty (30) days after the date of such written notice.

C. This Agreement may also be terminated by the City upon such notice as the City Manager deems appropriate under the circumstances in the event that the City Manager determines that termination is necessary to protect the public health or safety.

D. The Notice of Termination may include City's proposed Transition Plan and timeline for terminating the Work, requests for certain Work product documents and materials, and other provisions regarding winding down concerns and activities.

E. If there is any material breach or default in Consultant's performance of any covenant or obligation in this Agreement which has not been remedied within ten (10) business days after City's written Notice of Termination, City, in its sole discretion, may terminate this Agreement immediately and Consultant shall not be entitled to receive further payment for services rendered from the effective date of the Notice of Termination.

F. In the event of termination, City shall compensate Consultant for all authorized Work satisfactorily performed through the termination date under the payment terms set forth in Paragraph 7 above and all Work product documents and materials shall be delivered to City within ten (10) business days from the Notice of Termination. If any Work is in progress but not completed as of the date of the termination, then upon City's written approval, this Agreement may be extended until such Work is completed and accepted by City.

12. Force Majeure. Neither party shall be obligated to perform any duty, requirement or obligation hereunder if such performance is prevented by fire, hurricane, earthquake, explosion, war, civil disorder, sabotage, accident, flood, acts of nature or by any reason of any other matter or condition beyond the control of either party which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall economic hardship or lack of funds be considered an event of Force Majeure. If either party is unable to perform or delayed in their performance of any obligations hereunder by reason of any event of Force Majeure, such inability or delay shall be excused at any time during which compliance therewith is prevented by such event and during such period thereafter as may be reasonably necessary for either party to correct the adverse effect of such event of Force Majeure.

Consultant must follow all Federal, State, County, and City safety guidelines, including all CDC safety guidelines in effect during the term of the program, including but not limited to social distancing, and personal protection equipment. Inability to conduct the program and follow any and all required safety guidelines from the COVID-19 crisis or other similar emergency, or failure to follow such requirements, including but not limited to, social distancing, shall constitute grounds for immediate cancellation of this Agreement unilaterally by the City upon written notice, which may be provided via electronic mail.

The parties, by mutual agreement, may reschedule the performance of the services to a later date pursuant to the terms of this agreement.

13. Insurance. Consultant shall maintain insurance in accordance with Exhibit “B” throughout the term of this Agreement.

14. Indemnification. Except as expressly provided in this Agreement, no liability shall attach to the City by reason of entering into this Agreement.

A. Consultant shall at all times indemnify and hold harmless the City, its officials, employees, volunteers and other authorized agents from and against any and all claims, demands, suit, damages, attorneys’ fees, fines, losses, penalties, defense costs or liabilities suffered by the City to the extent caused by any negligent act, omission, breach, recklessness or misconduct of Consultant or any of its agents, officers, or employees, including any inaccuracy in or breach of any of the representations, warranties or covenants made by the Consultant, its agents, officers and employees, in the performance of services of this contract. To the extent considered necessary by City, any sums due Consultant pursuant to this Agreement may be retained by City until all of City’s claims for indemnification have been settled or otherwise resolved, and any amount withheld shall not be subject to payment or interest by City.

B. Consultant acknowledges and agrees that City would not enter into this Contract without Consultant’s indemnification of the City. The parties agree that one percent (1%) of the total compensation paid to Consultant pursuant to this Agreement shall constitute specific consideration to Consultant for the indemnification provided under this Paragraph and these provisions shall survive expiration or early termination of this Agreement.

15. Sovereign Immunity. Nothing in this Agreement shall constitute a waiver by the City of its sovereign immunity limits as set forth in section 768.28, Florida Statutes. Nothing herein shall be construed as consent from either party to be sued by third parties.

16. Non-Assignability and Subcontracting.

A. Non-Assignability. This Agreement is not assignable and Consultant agrees it shall not assign or otherwise transfer any of its interests, rights or obligations in this Agreement, in whole or in part, to any other person or entity without City’s prior written consent, which must be sought in writing not less than fifteen (15) days prior to the date of any proposed assignment. Any attempt by Consultant to assign or transfer any of its rights or obligations in this Agreement without first obtaining City’s written approval shall not be binding on City and, at City’s sole discretion, may result in City’s immediate termination of this Agreement, at which time, City shall be released of any of its obligations under this Agreement. In addition, this Agreement and the rights and obligations in this Agreement shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in insolvency, bankruptcy or receivership. In the event of Consultant’s insolvency or bankruptcy, City may, at its option, terminate and cancel this Agreement without any notice of any kind whatsoever, in which event all rights of Consultant under this Agreement shall immediately cease and terminate.

B. Subcontracting. Prior to subcontracting for Work to be performed pursuant to this Agreement, Consultant shall be required to obtain the written approval of the City’s Contract Administrator. If the City’s Contract Administrator, in their sole discretion, objects to the proposed subcontractor, Consultant shall be prohibited from allowing that subcontractor to provide

any Work pursuant to this Agreement. Even if the Consultant is permitted to subcontract Work in accordance with this Paragraph, Consultant shall remain responsible for any and all contractual obligations and shall also be responsible to ensure that none of its proposed subcontractors are listed on the *Convicted Vendors List* referenced in accordance with the provisions of Paragraph 28 below.

17. Performance Under Law. The Consultant, in the performance of duties under the Agreement, agrees to comply with all applicable local, state and federal laws and ordinances including, but not limited to, standards of licensing, conduct of business, those relating to criminal activity, and the Americans with Disabilities Act (ADA).

18. Audit and Inspection Records. The Consultant shall permit the authorized representatives of the City to inspect and audit all data and records of the Consultant, if any, relating to performance under the contract until the expiration of three (3) years after final payment under this contract.

The Consultant further agrees to include in all its subcontracts arising from this Agreement a provision to the effect that the subcontractor agrees that City or any of their duly authorized representatives shall, until the expiration of three (3) years after final payment under the subcontractor, have access to and the right to examine any directly pertinent books, documents, papers and records of such subcontractor, involving transactions related to the subcontractor.

19. Adherence to Law. The Consultant shall adhere to all applicable laws governing its relationship with its employees including, but not limited to, laws, rules, regulations and policies concerning worker's compensation, unemployment compensation and minimum wage requirements.

20. Independent Consultant. The Consultant shall be deemed an independent Consultant for all purposes, and the employees of the Consultant or any of its Consultants, subcontractors and the employees, shall not in any manner be deemed to be employees of City. As such, the employees of the Consultant, its Consultants or subcontractors, shall not be subject to any withholding for tax, social security or other purposes by City, nor shall such Consultant, subcontractor or employee be entitled to sick leave, pension benefits, vacation, medical benefits, life insurance, workers or unemployment compensation or the like from City.

21. Mutual cooperation. The Consultant recognizes that the performance of the Scope of Work pursuant to this Agreement is essential to the provision of vital public services and the accomplishment of the stated goals and mission of City. Therefore, the Consultant shall be responsible to maintain a cooperative and good faith attitude in all relations with City and shall actively foster a public image of mutual benefit to both parties. The Consultant shall not make any statements or take any actions detrimental to the City's effort.

22. Public Records.

A. The City of Pompano Beach is a public agency subject to Chapter 119, Florida Statutes. The Consultant shall comply with Florida's Public Records Law, as amended. Specifically, the Consultant shall:

1. Keep and maintain public records required by the City in order to perform the service.

2. Upon request from the City's custodian of public records, provide the City with a copy of requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement's term and following completion of the Agreement if the Consultant does not transfer the records to the City.

4. Upon completion of the contract, transfer, at no cost to the City, all public records in possession of the Consultant, or keep and maintain public records required by the City to perform the service. If the Consultant transfers all public records to the City upon completion of the contract, the Consultant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Consultant keeps and maintains public records upon completion of the contract, the Consultant shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records in a format that is compatible with the information technology systems of the City.

B. Failure of the Consultant to provide the above described public records to the City within a reasonable time may subject Consultant to penalties under §119.10, Florida Statutes, as amended.

24. Waiver and Modification.

A. No waiver made by either party with respect to performance, manner, time, or any obligation of either party or any condition in this Agreement shall be considered a waiver of that party's rights with respect to the particular obligation or condition beyond those expressly waived in writing or a waiver of any other rights of the party making the waiver or any other obligations of the other party.

B. No Waiver by Delay. The City shall have the right to institute such actions or proceedings as it may deem desirable for effectuating the purposes of this Agreement provided that any delay by City in asserting its rights in this Agreement shall not operate as a waiver of such rights or limit them in any way. The intent of this provision is that City shall not be constrained to exercise such remedy at a time when it may still hope to otherwise resolve the problems created by the default or risk nor shall any waiver made by City with respect to any specific default by Consultant be considered a waiver of City's rights with respect to that default or any other default by Consultant.

C. Either party may request changes to modify certain provisions of this Agreement; however, unless otherwise provided for in this Agreement, any such changes must be contained in a written amendment executed by both parties with the same formality of this Agreement.

25. No Contingent Fee. Consultant warrants that other than a bona fide employee working solely for Consultant, Consultant has not employed or retained any person or entity, or paid or agreed to pay any person or entity, any fee, commission, gift or any other consideration to solicit or secure this Agreement or contingent upon or resulting from the award or making of this Agreement. In the event of Consultant's breach or violation of this provision, City shall have the right to terminate this Agreement without liability and, at City's sole discretion, to deduct from the Price Formula set forth in Paragraph 7 or otherwise recover the full amount of such fee, commission, gift or other consideration.

26. Attorneys' Fees and Costs. In the event of any litigation involving the provisions of this Agreement, both parties agree that the prevailing party in such litigation shall be entitled to recover from the non-prevailing party reasonable attorney and paraprofessional fees as well as all out-of-pocket costs and expenses incurred by the prevailing party in such litigation through all appellate levels.

27. No Third Party Beneficiaries. Consultant and City agree that this Agreement and other agreements pertaining to Consultant's performance hereunder shall not create any obligation on Consultant or City's part to third parties. No person not a party to this Agreement shall be a third-party beneficiary or acquire any rights hereunder.

28. Public Entity Crimes Act. As of the full execution of this Agreement, Consultant certifies that in accordance with §287.133, Florida Statutes, it is not on the *Convicted Vendors List* maintained by the State of Florida, Department of General Services. If Consultant is subsequently listed on the *Convicted Vendors List* during the term of this Agreement, Consultant agrees it shall immediately provide City written notice of such designation in accordance with Paragraph 9 above.

This document incorporates and includes all prior negotiations, correspondence, conversations, agreements or understandings applicable to the matters contained herein, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, it is agreed that no deviation from the terms of this Agreement shall be predicated upon any prior representations or agreements, whether oral or written.

30. Headings. The headings or titles to Articles of this Agreement are not part of the Agreement and shall have no effect upon the construction or interpretation of any part of this Agreement.

31. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A photocopy, email or facsimile copy of this Agreement and any signatory hereon shall be considered for all purposes as original.

32. Approvals. Whenever CITY approval(s) shall be required for any action under this Agreement, such approval(s) shall not be unreasonably withheld.

33. Absence of Conflicts of Interest. Both parties represent they presently have no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with their performance under this Agreement and that no person having any conflicting interest shall be employed or engaged by either party in their performance hereunder.

34. Promoting Project Objectives. Consultant, its employees, subcontractors, and agents shall refrain from acting adverse to the City's interest in promoting the goals and objectives of the Project. Consultant shall take all reasonable measures necessary to effectuate these assurances. In the event Consultant determines it is unable to meet or promote the goals and objectives of the Project, it shall immediately notify the City and the City, may then in its discretion, terminate this Contract.

35. Binding Effect. The benefits and obligations imposed pursuant to this Agreement shall be binding and enforceable by and against the Parties.

36. Severability. Should any provision of this Agreement or the applications of such provisions be rendered or declared invalid by a court action or by reason of any existing or subsequently enacted legislation, the remaining parts of provisions of this Agreement shall remain in full force and effect.

37. Truth-In-Negotiation Certificate. Consultant's compensation under this Agreement is based upon representations supplied to City by Consultant, and Consultant certifies that the information supplied, including without limitation in the negotiation of this Agreement, is accurate, complete, and current at the time of contracting.
