EDUCATION

I was the first in my family to graduate from college. I earned a BA in history, and also earned all the necessary credits to hold a Pennsylvania teaching certificate. The total cost of my college education was mine. I interviewed for a senior high school position and was hired by Gateway High School in Monroeville, PA.

EXPERIENCE

I taught for 35 years and served as department chair. During my tenure as Chair, I brought the department from the 16 mm projector era into videotape and computers. I earned additional credits in education at the University of Pittsburgh, Southern Illinois University, and Carnegie Mellon University ending my career on top of the salary schedule. My tenure as Chair also saw the addition of courses in World Religions and, African America History. A Community Service project also became a graduation requirement.

PAST POSITIONS

I also held a Pennsylvania Real Estate license and worked primarily in property management for the Commonwealth's largest family-owned real estate company. I also owned a 6-unit apartment building.

HOBBIES

I have always believed that one must nurture themselves mentally and physically making reading and exercising major aspects of my life. Exercise includes bike riding, weight training, and walking.
