Re: Renaming 9th Court
May 21, 2017

Greetings Mayor:

As you may know, the Pompano Cowboys Booster Club would like to proceed in having 9th Court renamed to Lamar Jackson Court. Lamar grew up in the Pompano area and played football for the Pompano Eagles (1 year) and the Pompano Cowboys for his remaining time in the youth league. Lamar is a graduate of Boynton High School and will be a junior this coming fall at Louisville University. In 2016, Lamar received the highest honor given in college by receiving the Heisman trophy award. Till this day, this young man visits the Pompano area to help the youth in our area. We are excited to continue to honor this young student-athlete by renaming this street after him as he is a stellar role model for our kids to follow.

Currently, we do not have the funds to commit to renaming the street sign and would like to ask you for your help with getting this done.

Our community is very proud of Lamar and would like to do something memorable and long lasting! By renaming the street where he once played football would make the community have something to be proud of for a long time!

Please do not hesitate to contact me if I can be of further assistance. I can be reached at pompanocowboys1@gmail.com or 754-214-9084.

Sincerely,

Kelvin Adams
