Lee,
See below.

Dirk, I hope this finds you well. I wanted to share something with you that I'm not sure you are aware of that happened back in 2014 or 2015. I was in attendance at a function on the grounds of the Sample-McDougald House and was pulled aside by Ms. Margaret White. Ms. White directed my attention to the area that is now where the newly constructed Pavilion sits and shared with me her vision of how nice it would be for the community and how good it would be financially for the Sample-McDougald Foundation if the city could ever devise a way to build a structure like a Pole Barn (I told her that was an Oklahoma term for what she described to me that evening 😊) with a kitchen! Because of this sweet lady's original idea that was planted with me 7 or 8 years ago that is now a reality, I am respectfully asking you to have the Sample-McDougald House Board of Directors request the City Commission to name the new facility **The Margaret White Pavilion**. Please let me know if you have any questions.

Respectfully,

Dirk DeJong | CEO, Chairman
