F. Developer has submitted the required approval of the amendment to the Nonvehicular Access Line by other governmental entities with jurisdiction over the adjacent roadways.

G. County has no objection to amending the Nonvehicular Access Line and on November 4, 2021, the Board of County Commissioners approved Developer's application for an amendment to the Nonvehicular Access Line in order to establish a new configuration more particularly described in Exhibit "C," attached hereto and made a part hereof.

H. Developer has complied with all the conditions of approval required by the Land Development Code, including execution of this Agreement.

NOW, THEREFORE, in consideration of the mutual terms, conditions, and promises set forth herein, the Parties agree as follows:

1. The above recitals are true and correct and form a material part of this Agreement upon which the Parties have relied.
2. County hereby amends the Nonvehicular Access Line on the Property described in Exhibit "B" and replaces said Nonvehicular Access Line by the establishment of a new Nonvehicular Access Line described in Exhibit "C."
3. Developer will obtain vehicular access to the Property through driveway openings and connections that are consistent with the new Nonvehicular Access Line described in Exhibit "C."
4. Developer shall obtain all necessary permits for construction of the driveway opening and connections from the appropriate unit of government prior to construction of any driveway connections.
5. Recordation. This Agreement shall be recorded in the Public Records of Broward County at Developer's expense, and the Nonvehicular Access Line created and described in Exhibit "C" and Developer's obligations set forth herein will run with the Property described in Exhibit "A."
