Education: \_\_\_\_\_

\_\_\_\_\_

Experience: Having been raised and currently owning real estate in Pompano I have an interest in maintaining the and progressing the character of the city I call home. I am a retired yacht captain and currently own a yacht management company. Having spent a lifetime on the water I have an intimate knowledge of our local waterways and the city overall. I would like to be a member of an advisory board which would benefit from these experiences. For me, it would be gratifying to give back to a community that has afforded me so much.  
If I can answer any questions or offer more information I may be reached at the phone number above.
