WITNESSETH:

WHEREAS, the City wishes to enter into this Agreement for subsurface facility and utility locating services (hereinafter "Agreement") with Contractor within the limits of the City of Pompano Beach as needed by City; and

WHEREAS, the Code of the City of Pompano Beach at Section 32.41(C) provides authority for the City Manager to piggyback City purchase of goods and services with state or local public contracts within certain codified guidelines, which guidelines have been met; and

WHEREAS, the parties wish to incorporate the terms and conditions of the solicitation and contractual arrangement OPN2123676B1 between Broward County and Contractor dated August 16, 2022, and in accordance with said agreement a copy of which is referenced hereto as Exhibit A and adopted in its entirety by City and Contractor (hereinafter "Broward County Contract"), together with and including contract renewals, amendments and change orders to the extent applicable hereto; and

WHEREAS, the City Manager has determined that piggybacking with the Broward County Contract is necessary for subsurface facility and utility locating services and is the most economically advantageous way to procure these necessary services in a timely and efficient manner.

NOW THEREFORE, in consideration of the mutual covenants set forth in this Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. RECITATIONS. The foregoing "WHEREAS" clauses are hereby adopted and incorporated herein.

2. TERM. The term of this Agreement shall commence on the Effective Date and continue through the term of the Broward County Contract, August 15, 2025.

3. CONTRACT TERMS. Contractor agrees to provide subsurface facility and utility locating services within the city limits of the City of Pompano Beach as requested by City through a written Notice to Proceed. The Broward County Contract is hereby incorporated into this Agreement for all purposes. In the event of conflict between the Broward County Contract and this Agreement, the order of priority shall be: (1) this Agreement; and (2) The Broward County Contract.

The following provisions are included as supplementary to and amending the Broward County Contract:

A. City shall pay Contractor no more than the unit prices set forth in the Broward County Contract and in accordance with the provisions of the Broward County Contract in the total amount not to exceed one hundred and seventy-five thousand and 00/100 dollars (\$175,000.00). If the City requires services not covered by unit prices already made a part of the Broward County Contract, the Contractor shall submit a detailed written proposal to the authorized City representative before providing any such services. For these purposes, City of Pompano Beach City Manager Gregory P. Harrison shall be the City Representative.

B. If permits are required as part of the required hereunder, Contractor shall submit complete and accurate permit applications to all applicable permitting agencies within five (5) days of receiving all documents from City necessary to file such permit applications. City shall pay all permit and related fees directly to the permitting agencies, including any permit fees charged by the City.

C. City of Pompano Beach shall be deemed substituted for Broward County, with regard to any and all provisions of the Broward County Contract, including, for example and without limitation, with regard to bond requirements, insurance, indemnification, licensing, termination, default, and ownership of documents, including the additional provisions in sections D, E, F, and G, below. All recitals, representations and warranties of Contractor made in the Broward County Contract are restated as if fully set forth herein, made for the benefit of City, and incorporated herein. Scope of work shall be modified from that performed for Broward County as specifically set forth in the proposal labeled, Exhibit B, and attached and incorporated herein.

D. Within five (5) days of final execution of this Agreement, Contractor shall furnish City with a certificate of insurance in a form acceptable to City for the insurance required. Such certificate provided by Contractor must state the City will be given thirty (30) days written notice prior to cancellation or material change in coverage. A copy of the additional insured endorsement must be attached and contain language no less restrictive than ISO Form CG 20 10 07 04 or ISO Form CG 20 33 07 04. Contractor shall not commence work unless and until the requirements for insurance have been fully met by Contractor and appropriate evidence thereof, in the City's sole discretion, has been provided to and approved by the City.

E. Contractor shall indemnify and hold harmless City, its elected officials, officers, employees and agents, from and against all claims, suits, actions, damages, causes, or action or judgments arising out of the terms of this Agreement for any personal injury, loss of life, or damage to property sustained as a result of the performance or non-performance of services, from and against any orders, judgments, or decrees, which may be entered against City, its elected officials, officers, employees and agents; and from and against all costs, attorney's fees, expenses, and other liabilities incurred in the defense of any such claim, suit, or action, and the investigation thereof. Nothing in the award, resulting agreement,

The parties agree that one percent (1%) of the total compensation paid to Contractor for work under this contract shall constitute specific consideration to contractor for the indemnification to be provided under the contract.

F. Both parties agree that City may terminate this Agreement for any reason with ten (10) day notice to Contractor.

G. Public Records and Retention: City is a public agency subject to Chapter 119, Florida Statutes. If the Contractor transfers all public records to the City upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records in a format that is compatible with the information technology systems of the City.
