Introduction

The City has two designated community redevelopment areas, the Northwest CRA District (the Northwest CRA) and the East CRA District (the East CRA). Over the past 20 years, the Northwest CRA has assembled over 25 acres of land with parcels ranging from approximately .2 to 7.7 acres in size. The majority of the parcels are in the Downtown in an area called the Innovation District, generally located along the busy I-95 corridor and the Atlantic Blvd exit. The Innovation District assemblage is the focus of this RFP. The selected firm shall be responsible for the marketing and sale of those parcels and shall be responsible for reaching beyond the South Florida market for potential buyers. The attached Invitation to Bid (Attachment “A”) thoroughly describes the parcels and their intended uses, as well as the overall concept of the Downtown and the Innovation District development. As part of the marketing and branding strategy, the CRA also envisions a unique drainage system, possibly using linear canals that create a visible and desirable asset for development parcels, much like those found in Amsterdam in the Netherlands, and San Antonio, Texas. The drainage district has already been formed and received county approval and certification. Design and construction of a creative and aesthetically pleasing drainage system will occur simultaneously with the vertical development. The Broker will be responsible for using the information provided in Attachment “A” to aggressively market the sites. Sale prices, and the sales process will be further defined and determined in consultation with the CRA prior to marketing the properties. The general goals of the CRA for the scope of services of this RFP is to quickly and effectively identify tenants and users (buyers) for each parcel, generate new tax revenue, and create economic and employment opportunities.

The purpose of this Request for Proposal (RFP) is to select a qualified real estate brokerage firm (Broker) to provide professional services related to real property assets owned by the City and the CRA.

The selected Broker shall be responsible for assisting the City and CRA with brokerage services, which may include, but not be limited to: (i) providing advice regarding property valuation; (ii) portfolio organization and analysis; (iii) strategic planning for property leasing and/or disposal; (iv) listing services for sale of City surplus property and CRA property; and (v) overseeing escrow for such sales. The deliverables may include, but not be limited to valuation, marketing and strategic planning reports, review of bid documents and other tasks as specified in each task order that may be issued during the term of the agreement.

The City and CRA are looking for a firm with experience in the greater Fort Lauderdale and Pompano Beach market area that includes marketing, leasing and selling large portfolio properties. Additionally, experience working with Capital Markets; investments/sales, debt & equity finance, placement and analytics), Appraisal /Valuation, Hotels & Hospitality, and Research/Marketing is also desirable. The brokers of the firm to be assigned to this contract should have familiarity with the real estate inventory and recent major transactions in the City of Pompano Beach, as well as laws and practices applicable to public agency real estate matters. The disposition sites have appeal beyond the South Florida market. Thus, the firm should also demonstrate experience in other major national real estate markets and have access to national, and preferably international, offices or affiliates.

6. In coordination with the CRA, prepare the disposition schedule and prepare monthly updates on the status of the sale of the properties.
7. Aggressively market and promote the sale of the CRA and City owned properties or redevelopment opportunities focusing on the City's end goal of developing an innovation district in the Downtown.

The City and the CRA will enter into a contract (see attached Sample Service Contract) for the time necessary to complete the above scope of work. The City and the CRA reserve the right to make changes to the sample service contract (Attachment "B") at its sole discretion and to the best interest of the City and CRA.

When more than three responses are received, the committee shall furnish the City Commission (for their approval) a listing, in ranked order, of no fewer than three firms deemed to be the most highly qualified to perform the service. If three or less firms respond to the RFP, the list will contain the ranking of all responses.

The City Commission has the authority to (including, but not limited to); approve the recommendation; reject the recommendation and direct staff to re-advertise the solicitation; or, review the responses themselves and/or request oral presentations and determine a ranking order that may be the same or different from what was originally presented to the City Commission.
