

EXHIBIT: 2

Scope of Services

Artist's Proposal and Design Proposal is attached and made a part of this Exhibit, however, the design will vary from the digital sketch as it is a model image, the Design Proposal is deemed edited so that the Artwork shall be 6.5 feet tall and attached to the Lady Luck through one (1) receiver

In addition to the Work described in the Agreement, Artist shall timely

- Effectively communicate with City's Contract Administrator throughout the Term of the Agreement
- Commence Work on the Project, to include fabrication of the Artwork in accordance with the Design Proposal approved by the Public Art Committee and the City Commission, within two (2) weeks after the effective date of the Agreement and complete fabrication and installation of the Artwork on the land location to be determined at a later date within six (6) months thereafter
- Effectively communicate with the City's Contract Administrator, Shipwreck Park and South Florida Diving regarding requirements and other details for connecting the Artwork to Lady Luck before and during its fabrication and installation on Lady Luck
- Provide City a minimum of five (5) professional photographs of the installed Artwork within two (2) weeks after the City's Temporary Acceptance at the land location
