Sustainability Narrative

To whom it may concern,

Pursuant to Sustainable Development Points of Section 155.5802 (Table 155.5802A) this project is designated as a new nonresidential and mixed used development which is required to provide fifteen (15) sustainability points.

This project plans to provide a total of eighteen (18) sustainability points per Table 155.5802.B:

Energy Star Rated Roofing:	3 points
Energy Star Rated or Insulated Windows:	3 points
<u>Electric Vehicle Charging Station (6):</u>	<u>12 points</u> (located near the northeast corner of the site adjacent to the Gas Facility)
Total	18 points

Should you have any questions or require any additional information, please do not hesitate to contact me at (954) 202-7000 or mcigale@thomaseg.com.

Sincerely,

Matthew J. Cigale, P.E.
