The RFP was advertised in the Sun Sentinel, and notices were sent to bid notice agencies throughout the nation. The RFP was also posted on the City's eBid System for download by interested firms and sent to all registered bidders by email.

Selection/Evaluation Committee

Four (4) responses were received to the solicitation. The Selection/Evaluation Committee met on June 14, 2019 to review and evaluate the responses. This meeting was posted as a "Public Meeting." The four (4) responses were reviewed and scored, and the Committee determined that the two highest ranked firms would be recommended for the contract negotiation phase of the solicitation process, with CrowderGulf, Joint Venture Inc., as the primary contractor, and TFR Enterprises, Inc., as the alternate contractor. Copies of the minutes, voting matrix and scoring sheets, are attached.

Market Research

The General Services Department contacted three (3) local Pompano Beach firms to inform them of the solicitation.

Recommendation

The recommendation from the Selection/Evaluation Committee to the City Commission is to approve the ranking order, and authorize the City staff to negotiate a contract with the two highest ranked firms, CrowderGulf, Joint Venture Inc. as the primary contractor, and TFR Enterprises, Inc., as the alternate contractor. Further authorization is requested to continue with the succeeding ranked firm should an impasse occur in the negotiations with the recommended firm.
