Dear Pompano Beach Officials:

After a robust discussion at our Town Hall at John Knox Village last week, the residents of our South Gardens neighborhood voiced a decisive preference to join Commission District 5, by a two to one margin.

We would like to have our boundaries changed prior to the 2026 elections. How should we pursue this objective?

We appreciate your attention to this matter.

Best regards,

Marisol Simón, Chair

Subject: John Knox Village Split Commission District Issue

Dear Mr. Harrison,

The John Knox Resident Senate Legislative Committee is planning to host a Town Hall in our community on April 22nd to discuss the pros and cons of the current split Pompano Beach Commission District.

Depending on the outcome of our internal resident discussions, we may request that the city redistrict us all into District 5.

We would like to know your perspective on the issue, if you have the time to discuss.

I am attaching a position paper we've drafted to distribute to our neighbors here at JKV.

Thanks in advance for your attention.

Best regards,

Marisol Simón,

Legislative Committee Chair
