

Pompano Beach Fire Rescue

FIRE ADMINISTRATION MEMO # 25-A032

To: Mark Berman, City Attorney

Re: Resolution request – Pre-purchase agreement for 2025
Horton 4-door Rescue Truck

I kindly request a resolution for the March 11th, City Commission Agenda. This resolution would allow Pompano Beach Fire Rescue to enter into an agreement with ETR, allowing the purchase of a 4-door rescue truck. This agreement would secure a purchase price point of \$530,874.00.

This newly acquired rescue truck is part of our capital replacement plan. The vehicle would replace one of our existing vehicles in the fleet and will not increase our total number of vehicles.
