RE: Pohlman Pain Associates, Inc. proposed surgical center at 1347 East Sample Road

I am a resident of the City of Pompano Beach and live in close proximity to 1347 East Sample Road.

Dr. Dane Pohlman presented plans to me for a new 3,500 square feet interventional pain medicine facility, which will provide minimally invasive surgical procedures to help alleviate chronic orthopedic issues and nerve pain in our neighborhood.

Dr. Pohlman provided an opportunity for me to ask questions about the business and specifically about the surgical center, and whether it will impact our community.

Based on the information I was provided; I fully support the construction of the proposed surgical center at 1347 East Sample Road.
