FROM: Laura Atria, Public Art Program Manager

RE: Mosaic Team: Trail of the Honey Bees Locations

The Public Art Committee has spent much time and dedication on the placement of the mosaic murals for the Mosaic Team project Trail of the Honey Bees. The Committee held multiple meetings to discuss the exact locations. The trail will connect both sides of Dixie Highway starting at building 731 NW 3rd St. and ending at the Cultural Arts Center. Attached are the minutes if the meetings that took place in order to reach a final decision on the location. The final motion to recommend approval of the locations was made August 16, 2018.

MINUTES

1. Mosaic Team

a. Trail of the Honey Bees Location

Ms. Atria read staff report #18-116 pertaining to the Mosaic Trail.

Ms. Atria stated she has worked long and hard with Terrell Davis and the Cultural Center and he suggested putting a mosaic mural on the light pole out front of Cultural Center and on the new signage that will be installed.

Ms. Johnson raised her concerns regarding the Pat Larkin Center and the mosaics being placed there. **(31:44)**

Ms. Johnson stated that she doesn't think people will like it there. She stated she knows the community and there needs to be conversations with certain folks.

Ms. Barrett stated there needs to be conversation with Parks and Recreation. She thinks there will be a lot of people not okay with it.

Ms. Barrett stated the original idea of the Honey Bee Trail was to create an actual path in the sidewalk to connect the Northwest to the Arts District. Ms. Barrett further stated she liked the idea of putting them on light posts and painting the poles so they standout and does create the walkability.

Ms. Kapplar stated the mosaics should come from the Ali building down MLK Blvd. and they should be rearranged and place smaller pieces on the light posts to connect the trail.

Ms. Johnson asked the Committee to place a visual as a preview of what's to come that can be placed at the E. Pat Larkins Center and other centers along the trail describing the Honey Bee Trail and what it means.

A **Motion** was made by Marie Goodrum Johnson to display an information board containing the mosaics and meaning behind the Trail of the Honey Bees and be placed at the E. Pat Larkin Center. Motion was seconded by Kim Maguire. All in favor of the Motion. ***Motion passed unanimously.***

A **Motion** was made by David Miller to display an information board containing the mosaics and meaning behind the Trail of the Honey Bees at City Hall and at the Commission Chamber. Motion was seconded by Marie Goodrum Johnson. All in favor of the Motion. ***Motion passed unanimously.***
