Steve,

In the interest of moving this along... perhaps we can get this on the commission agenda along with our contract. This needs commission approval with ordinance etc. You will recall that we need written confirmation from the union stating that you are in agreement with these proposed change to the pension ordinance relating to the new cancer law.

Thanks,

Steve,

This is the email / proposed ordinance that we spoke about this morning. The City would like to have the union's approval on this matter in order for us to move forward with submitting the proposed change(s) to the City Commission for approval.

Thank you,
Ed
