Subject: RE: 14' Utility and Ingress/Egress Easement as Recorded in Ordinance Book 48110, Pages 551-554 of Broward County Public Records

To Whom It May Concern:

AT&T has NO OBJECTION to the proposed vacating of a portion of the existing 14' Utility and Ingress/Egress Easement as Recorded in Ordinance Book 48110, Pages 551-554 of Broward County Public Records.

AT&T will relocate the existing facilities from said utility easement at the property owner's expense.
Please be advised that if AT&T needs change, additional easement maybe required by separate instrument.

If you have any questions, I can be reached at the above telephone number.

Sincerely,

Martin Barrett
