Karen Moreland Bio

Karen Moreland is no stranger to education; having spent 32 years as an educator, she's now the owner and founder of Moreland's Alternative Education Academy (MAEA). The Academy was established in 2019 and welcomed its first class of K-12 students in August 2020.

Prior to starting Moreland's Alternative Education Academy, Karen has served in a variety of roles within Broward County Public Schools. These include Dropout Prevention Teacher, Adult Educator, Exceptional Student Education Behavior Specialist, Staff Developer and her current position as Equity & Diversity Instructional Facilitator. Karen specializes in teaching the "whole child." Her educational philosophy is very simple: *Students don't care how much you know, until they know how much you care.*

Karen was born in the City of Pompano Beach, Florida to her parents John and Lois Moreland. She is the eighth child of nine siblings. While she is the owner and founder of the Academy, it would not have come to fruition without the support and hard work of her husband, family and close friends. Karen is married to Dolphin Alford, has one son Brandon C. Moreland and four grandchildren: Aubrey, Serenity, Brayden and Jurnice Moreland.

Karen attended Florida Agricultural and Mechanical University (FAMU) and transferred to Bethune Cookman University where she obtained a Bachelor's Degree in Criminal Justice & Sociology. She furthered her education at Nova Southeastern University, receiving a Master's Degree in Exceptional Student Education and a Certification in Educational Leadership. Karen is a Silver Star member of Alpha Kappa Alpha Sorority, Inc. and a 25-year member of the Links, Inc.

"I do what I do because it matters. Our children need to know that education is important and that the adults in their lives care about and support them." Said Karen when asked why she feels it is important to offer quality educational opportunities in communities that are often overlooked. "I'm setting an example for my grandchildren that mirrors the example set by my parents." She continued.
