Hi Scott,

I hope this message finds you well.

Over the past few months, some concerns have arisen regarding the property at 2500 NE 19th St in Pompano Beach. My family and I have been feeling increasingly uneasy due to activities associated with this home. As residents on 21st St, my fiancé and I regularly walk through the neighborhood—sometimes multiple times a day.

Recently, the individuals frequenting this address have caused discomfort. My fiancé, who has walked alone in the neighborhood for years without issue, has experienced unwelcome catcalling and whistling near that part of the neighborhood. This has made her hesitant to walk in that area, which is concerning for us as long-term residents who want to feel safe and comfortable in our community.

I understand there is a meeting scheduled for Thursday, but unfortunately, I will be out of town for work and unable to attend. Please do not hesitate to reach out to me via phone, email, or text if there is any way I can provide further information or assistance.

Thank you for your attention to this matter.
