Re: Aviara West at NW 31st Ave

From: Phyllis Smith - President of Greater Collier City Civic Association

Dear City of Pompano Beach,

Ms. Paula West and Mr. Robert Fuller, Representatives of Aviara, were at the January 31, 2024, Civic Association meeting and showed their property's proposal. There were many, many questions, however the presentation went well and there was no opposition to moving forward with the project.

We, the Greater Collier City Civic Association, stands with this developer on this project.

Kindly,

Phyllis Smith - President
