

### Memorandum No. 23-00

**DATE:** November 21, 2022

**TO:** Carla Byrd, General Services Director

**FROM:** Anthony Alhashemi, Project Manager

**VIA:** Tammy Good, PMP, CIP Manager

**SUBJECT:** E-37-22 Alsdorf Park Seawall and Dock- Bid Award Recommendation

---

The City solicited for a qualified marine Contractor to furnish all labor, equipment, tools, and materials to replace a section of concrete bulkhead and marginal dock at the Alsdorf Park public boat ramp facility located at 2901 NE 14<sup>th</sup> St., Pompano Beach, FL, 33062, on the north side of the 14<sup>th</sup> Street Causeway along the westerly shoreline of the Intracoastal Waterway (ICWW). The section of bulkhead and dock to be replaced extends from the easterly boat ramp along the Caliban Canal to the confluence of the ICWW. The existing bulkhead is approximately 370 feet in length and comprised of concrete panels, concrete T-piles and concrete cap supported laterally by combination of concrete batter piles and tie-back systems. The marginal dock is five (5) feet wide, approximately 350 feet in length and constructed using pressure treated timber piles and substructure with composite decking.

On November 17<sup>th</sup>, 2022 construction bids were opened for the subject project and the contractor, B&M Marine Construction, Inc. submitted the lowest bid in the amount of \$1,781,595.50. Engineering performed an evaluation of contractor references, qualifications and prior work history, which concluded satisfactory results. Consequently, staff recommends awarding this project to the lowest and responsive bidder, B&M Marine Construction, Inc., in the amount of \$1,781,595.50.

The executed Bid Award Recommendation Form is attached.

Please prepare an agenda package for presentation and approval at the first commission meeting in December 2022. Please notify me once the agenda items are inputted in Granicus for final review.
