From IT@KCI.COM 410-316-7820 *** This is an External Email from outside of KCI.

I have reviewed the Paving and Drainage Plans associated with L2022-107 (O’Connor Holdings Pompano Beach) on behalf of WCD # 3. I have no objections to the proposed project.

Good afternoon Carl,

We are currently in the permitting phase of the project mentioned above. We received the attached comments from staff late last month. Attached is the BC SWML Application, SWM Report and Civil plans that were submitted to staff. Per comment #3 of the comments issued, can you please confirm whether there are any additional comments you’d need input to provide your approval? To discuss the project and its current standing, if you’d like a conference call for discussion, please let me know and we will set up a time to explain the intent.

Should you have any questions or concerns, or need any additional documentation, please do not hesitate to contact me at your earliest convenience.

Thank you,

Byron Reynolds
Civil Engineering – Project Engineer
