Click2GovPE

Welcome to The City of Pompano Beach's **Click2Gov** portal for Planning and Zoning.

This site allows users to research properties & limited project details. You can search our database by property address, project number, property owner name, or project type.

Applicants can pay for their application online using a credit card or e-check. After you have submitted your application, Staff will provide you with the project number and the amount due.

To begin, click "Select a Project" on the left menu.
