Dear Bobby Adkins,

I ask you to please refrain from holding this Extremely Important Meeting from tomorrow, 8/27/2025. I think it is very short notice for all parties involved! Plus, everyone has been on vacation for the month of August, especially our Commissioners! Since I live very close to the subjects to be discussed, and had no advance notice of this meeting until now, I find it terribly dishonest to the residents of not only District 1, but the entire City. It is in the best interest of our Government and Residents to postpone this until the month of September or October. It certainly does not pass the smell test, and with the divisive nature of our Community on how tax dollars are spent, along with increased congestion from over-development, the people would be better served with a postponement!

Thank-You Very Much for your Time!

Respectfully,

Tom Drum
