#### Attachment #1 **Brief Project Description**

Project Sponsor: City of Pompano Beach

Project Name: City of Pompano Beach CWSRF N.E. 4th St. & N.E. 3rd St. Drainage

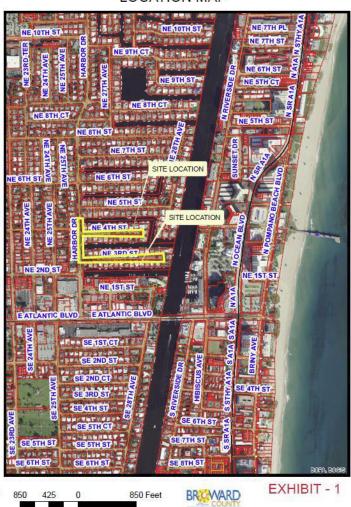

Improvement Area

SW06246 Project Number:

This project area includes NE 4th Street and NE 3rd Street to the east of Harbor Drive immediately adjacent to the Intracoastal Waterway. This residential neighborhood includes two separate areas surrounded by the finger canals off the Intracoastal Waterway. The public right-of-way areas within this neighborhood do not

have an existing drainage system to address any flooding issues since these roadways are hydraulically isolated from adjacent areas with existing drainage infrastructure, such as Harbor Drive. During rainfall events, stormwater runoff from this neighborhood will collect in right-of-way areas where it can only slowly infiltrate into the ground surface from pervious swale areas adjacent to the roadway. The proposed construction is for a drainage system of swales, inlets, and culverts that will direct the stormwater runoff to 1,371 LF of exfiltration trench (827 LF of 7.5' W X 5.5' H for NE 3rd Street, 286 LF of 7' W X 3.10' H and 258 LF of 5' W X 3.10' H for NE 4th Street) prior to connecting to an existing drainage system, which discharges into the intercoastal. This project should help alleviate flooding in the area.

Ms. Angela Knecht Program Administrator State Revolving Fund Management 3900 Commonwealth Blvd., Mail Station 3505 Tallahassee, Florida 32399-3000

Re: SW06246 – City of Pompano Beach

NE 3<sup>rd</sup> Street and NE 4<sup>th</sup> Street Drainage Improvements

Dear Ms. Knecht:

I am the duly appointed City Attorney for the City of Pompano Beach. The City proposes to borrow \$1,840,250 from the State Revolving Fund for capacity allocation financing of the NE 3<sup>rd</sup> Street and NE 4<sup>th</sup> Street Drainage Improvements Project. The loan will be secured by the net revenues of the City's stormwater system, and the pledged revenues are legally available to pledge. The City of Pompano Beach has the legal authority to increase rates to ensure repayment of the loan.

The pledge on revenues is subject to a prior lien with the following issues: City of Pompano Beach, Florida, Stormwater Revenue Bonds, Series 2021.

Sincerel

#### **NOTES:**

- Projections of operations and maintenance expenses are based on the City's FY 2022 budget and then escalated on average by 2.7% for each year except FY 2023. FY 2023 costs include anticipated costs resulting from new collective bargaining agreements plus other anticipated cost increases. Operations and maintenance costs include administrative expenses.
- Existing debt service is comprised of a revenue bond for the stormwater system with debt service payments beginning in FY 2021 and 3 SRF Loans.
- Proposed debt includes funding for approximately \$13.75 million for capital improvement projects identified over the next 5 years that will be required if the City wants to fund the entire capital plan (though none of this debt is being pursued at this time).
- Projected rate funded capital expenses represent the portion of the City's capital improvement plan that is anticipated to be funded through rates. The City will more than likely delay a few of these projects into future years, but they are shown as according to the current capital plan.
- Projections of revenues include Commission approved rate increases in FY 2023 as shown below. Revenues from rates do not include any growth in customer accounts and the revenues in FY 2022 have conservatively been estimated (close to FY 2021 unaudited revenues even though a rate increase of approximately 7% will increase revenues from rates in FY 2022). The revenues also reflect projected (but <u>not</u> approved) rate adjustments of 11% in FY 2024 and FY 2025 and 6% in FY 2026. The City has a 5-year capital plan that includes funded and unfunded projects. The City reviews its revenues and expenditures each year to determine the level of future rate increases needed to meet capital, operating needs, and debt service coverage requirements.
