Sorry I did not see a response to this, but just in case, unless the owner advises otherwise, I would agree with your recommendation regarding the PZB being after AAC.

Andres,

Due to last night's deferment of the AAC meeting please confirm you are also deferring the May Planning and Zoning Board meeting, as the PZB prefers that you obtain the AAC approval before going to their board.

Thanks,

I'm writing to inform you that due to unforeseen issues with the project we will not be able to present the project today . Unless the owner has requests otherwise, we would like to request the item be continued to the next hearing date.

Thank you,
