Upon receipt of said notice, Recipient shall be responsible for any and all expenses and/or legal obligations made after receipt of written notice from the CITY.

10. Force Majeure. Neither party shall be obligated to perform any duty, requirement or obligation hereunder if such performance is prevented by fire, hurricane, earthquake, explosion, war, civil disorder, sabotage, accident, flood, acts of God or by any reason of any other matter or condition beyond the control of either party which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). To the extent considered necessary by City, any sums due Recipient hereunder may be retained by City until all of City's claims for indemnification hereunder have been settled or otherwise resolved, and any amount withheld shall not be subject to payment or interest by City.

B. Recipient acknowledges and agrees that City would not enter into this Contract without this indemnification of City by Recipient. The parties agree that one percent (1%) of the total compensation paid to Recipient hereunder shall constitute specific consideration to Recipient for the indemnification provided under this Article and these provisions shall survive expiration or early termination of this Contract.

13. Sovereign Immunity. Nothing in this Contract shall be construed to affect in any way the rights, privileges and immunities of the City and agencies, as set forth in Article 768.28, Florida Statutes.

14. Non-Assignability and Subcontracting.

Any attempt by Recipient to assign or transfer any of its rights or obligations hereunder without first obtaining City's written approval shall not be binding on City and, at City's sole discretion, may result in City's immediate termination of this Contract whereby City shall be released of any of its obligations hereunder. In addition, this Contract and the rights and obligations herein shall not be assignable or transferable by any process or proceeding in court, or by judgment, execution, proceedings in insolvency, bankruptcy or receivership. Organization Name: Early Learning Coalition of Broward County

Program Funded: Child Care Match Program

Amount Funded: \$30,000

Program description: The Child Care Match program is essential to the economically disadvantaged working families who live in the City of Pompano, and to all the working families in Broward County, who require child care for the children. The program allows those parents who are either working or attending school and who are at 150% of the federal poverty level to access affordable child care at a licensed facility of their choice. This program provides reimbursement, based on child attendance and parent eligibility, directly to the licensed child care provider.

These matching funds will ensure that those eligible families living in Pompano Beach will continue to receive critical childcare services that enable low income parents to maintain employment, while ensuring that their children are safe and receiving the educational and literacy support they need to succeed in school. These grant funds will also help draw down over \$47 million in Federal funding that is allocated to the ELC for its administration of the Federal Child Care Block Grant.

Early Learning Coalition of Broward County

Year Applying: 2018-2019

Mission: To provide the resources, advocacy, leadership, coordination and oversight for early care and education from birth to school-age and to support access to school-age care to ensure children's success in school.

Overview: Since 2000, following the ratification of Florida Statute 411.01, the Early Learning Coalition of Broward County, Inc. (formerly Broward County School Readiness Coalition, Inc.) has been dedicated to the implementation of an integrated, high-quality, seamless early care and education service delivery system for children. The Coalition is accountable for assessing the early care and educational resources available in Broward County as well as developing local plans to address identified needs.

The Coalition's role is to develop and administer a comprehensive school readiness program that prepares children to succeed in school and in life, as described in the Local School Readiness Coalition Plan as approved by the Office of Early Learning. This is an ongoing process that involves building on existing services, working in cooperation with other programs for young children and coordinating and integrating program funding and services to achieve efficiency, accountability and full effectiveness.

The Coalition receives the majority of its funding directly from Florida's Office of Early Learning. Some funds are then awarded to community organizations and service providers to perform customer services.

The Coalition touches the lives of thousands of Broward County children and families. While funding does not cover all of the identified unmet needs, we are constantly looking for innovative, additional funding sources. The Coalition strives to use all of its resources in the most effective and efficient manner possible.
