Pompano Live! Entertainment Block

Project Location: Isle of Capri Circle, Pompano Beach, Florida 33069

The loading for Pompano Live! Entertainment Block will utilize four designated loading zones.

- The first Loading area is internal to the A1 Building and is accessed off Palm Aire Drive. This loading area contains one loading bay and one trash bay. This area will service buildings A1, A4, A5a, A5b, A6a, and A6b.
- Adjacent to this dock is a multi-purpose lay-by located along Palm Aire Drive, which can also be utilized to service buildings A1, A4, A5a, A5b, A6a, and A6b.
- The third loading area is a lay-by located south of Building A2. This loading area will be utilized by buildings A2, A3 and A7.
- The fourth zone is hotel loading and is located southeast of the hotel.

Goods and services will be transferred from each of these loading areas to the intended building via loading dolly.

Respectfully Submitted,

Daniel E. Freed
