Pompano Proud's Landscape WOW Award
Phil's Heavenly Pizza
Nov, 8, 2016

WOW- red, yellow, pink, orange, lavender flowers everywhere! And beautiful foliage in all shades of green, some with silvery or purple markings. Graceful palms elegant in their pots. And in the background, the soft, soothing sound of a waterfall. Scattered among the plants are benches, tables with welcoming chairs, and umbrellas. A few whimsical pinwheels and other decorative accents catch the eye. An open Bible is prominently displayed on a podium.

You might think we are describing a famous garden or landscaping at a stately home, but guess again! This amazing landscape greets passers-by and customers at Phil's Heavenly Pizza located in Harbor Village on east Atlantic Blvd! Phil's Heavenly Pizza is a ministry which serves pizza, many Italian favorites, and, first and foremost according to Phil, the gospel.

Phil lavishes great care and attention to his beautiful landscape in front of the restaurant. He carefully selects his plants and tends to them daily. Each plant is placed just so and is watered, fed, pruned, and even moved according to its need for sun or shade. Phil's garden reflects his sense of design, desire to provide pleasure to others, and an expression of his faith.

Pompano Proud is pleased to present our 2016 WOW landscaping award to Phil. Stop by and see for yourself. We're confident you'll say, "Wow", too! Thank you Phil for making Pompano Beach a more beautiful place!
