

Our Mission

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

IMPACT REPORT

The Club Experience

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

The Need in Our State

Every day 1,031,509 kids in Florida leave school with nowhere to go.¹ They risk being unsupervised, unguided and unsafe.

Whitney

National Youth of the Year

The oldest of three raised by a single mother, Whitney grew up fast.

Because she was so busy caring for others while also trying to excel in school, she ignored negative emotions building inside ... until they resulted in self-destructive impulses. She cites the Club and its positive environment as a turning point in her life, which inspired her to find positive outlets for her feelings. Whitney became involved in many activities, including serving as president of the Keystone Club, BGCA's teen leadership group, and on the BGCA National Teen Advisory Board. She earned exceptional grades in school, where she also excelled in Junior R.O.T.C., attaining the rank of Regimental Commander, the school's top leadership position.

Whitney is a freshman at the University of Pennsylvania.
