

Minutes from May 2 – Pompano Beach Historical Society Re: Irving Family Memorial Trail

Here is just the section of the minutes from May 2nd that covers the approval of the Irving Family Memorial Trail.

New Business:

· Jerry Bowman reported that the City's procedure for naming or dual-naming streets, parks, facilities and the like includes the requirement that all such requests be submitted first to both the Pompano Beach Historical Preservation Committee (HPC) and the Pompano Beach Historical Society (PBHS) for their recommendations. One such request, the "Irving Family Memorial Trail," is before the PBHS Board tonight. The trail in the request is a new trail that runs along NW 3rd Ave. Jerry stated that the Irving family had appeared before the HPC and had met all the City's Naming Criteria. A copy of the City's naming procedure was distributed to the Board. Discussion followed. Jerry moved that PBHS approve the request. Pete seconded the motion. The motion was unanimously approved by the Board.
