SURVEYOR'S NOTES:

If a building permit for a principal building (excluding dry models, sales and construction offices) and first inspection approval are not issued by the 7th day of August, 2012, which date is five (5) years from the date of approval of this plat by Broward County, then the County's finding of adequacy shall expire and no additional building permits shall be issued until such time as Broward County makes a subsequent finding that the application satisfies the adequacy requirements set forth within the Broward County Land Development Code. The owner of the property shall be responsible for providing evidence to Broward County from the appropriate governmental entity, documenting compliance with this requirement within the above referenced time frame; and / or

If Project water lines, sewer lines, drainage and the rock base for internal roads are not installed by the 7th day of August, 2012, which date is five (5) years from the date of approval of this plat by Broward County, then the County's finding of adequacy shall expire and no additional building permits shall be issued until such time as Broward County makes a subsequent finding that the application satisfies the adequacy requirements set forth within the Broward County Land Development Code. This requirement may be satisfied for a phase of the project, provided a phasing plan has been approved by Broward County. The owner of the property shall be responsible for providing evidence to Broward County from the appropriate governmental entity, documenting compliance with this requirement within the above referenced time frame.

THE FOLLOWING NOTE IS REQUIRED BY THE BROWARD COUNTY SURVEYOR PURSUANT TO CHAPTER 177.091, SUBSECTION(28), FLORIDA STATUTES:

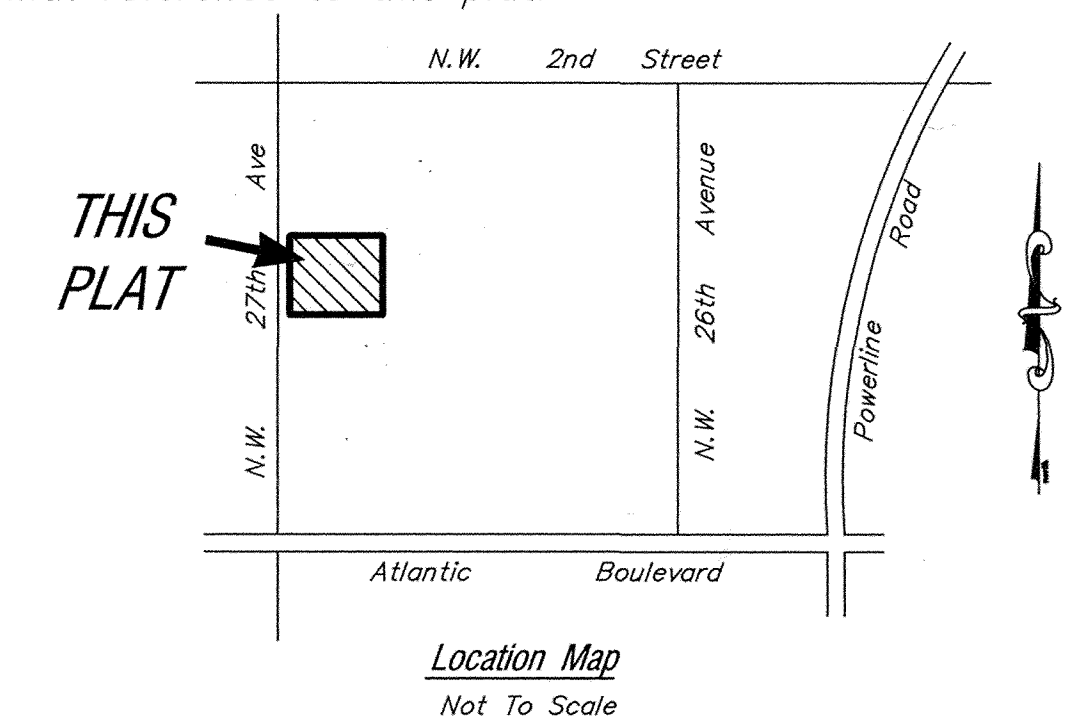

Platted utility easements are also easements for the construction, installation, maintenance, and operation of cable television services; provided, however, no such construction, installation, maintenance, and operation of cable television services shall interfere with the facilities and services of an electric, telephone, gas, or other public utility. In the event a cable television company damages the facilities of a public utility, it shall be solely responsible for the damages. This note does not apply to private easements granted to or obtained by a particular electric, telephone, gas or other public utility. Such construction, installation, maintenance, and operation shall comply with the National Electric Safety Code as adopted by the Florida Public Service Commission.

PLAT RESTRICTION:

This plat is restricted to 28 townhouse units and 10,000 square feet of commercial use. The first floor of each building is further restricted to commercial use only. No free standing or drive-thru bank facilities are permitted without the approval of the Board of County Commissioners who shall review and address these uses for increased impacts.

Any structure within this plat must comply with Section IV D.1.f., Development Review Requirements, of the Broward County Land Use Plan, regarding hazards to air navigation.

This note is required by Chapter 5, Article IX, Broward County Code of Ordinances, and may be amended by approval of the Broward County Board of County Commissioners. The notation and any amendments thereto are solely indicating the approved development level for property located within the plat and do not operate as a restriction in favor of property owner including an owner or owners of property within this plat who took title to the property with reference to this plat.
