Re: Award of Bid No. 17-C-589, Pavement and Roadway Infrastructure Rehabilitation

Dear Mr. Capoferri,

The City has received three bids for Contract No 17-C-589 for the Pavement and Roadway Infrastructure Rehabilitation. This letter is to inform you that City Commission has awarded this Annual Purchasing Agreement to all three qualified contractors.

A purchase order will be issued, project specific, to the selected contractor based on the lowest bid unit prices. The City has several projects identified for this contract period and will be contacting the lowest bid contractor for each project.

The current contract is until September 30, 2017. The contract may be renewed for two additional one year periods by mutual agreement only if all prices, terms, and conditions remain the same. The City will be mailing out a renewal contract this September.

Should you have any questions regarding this correspondence, contact Rafal Cieslak, Engineering Division, at 587-6713, x-4421.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rafal Cieslak".

Rafal Cieslak, P.E.
Engineer III
