

MEMORANDUM

November 26, 2018

TO: Mark Berman, City Attorney
CC: Tracy Lyons, Assistant City Attorney
FROM: Horacio Danovich, CIP Manager

Please prepare a Resolution to approve and execute Amendment Number Two of an existing Locally Funded Agreement ("LFA") with the Florida Department of Transportation ("FDOT"). The amendment will allow the City to ratify our commitment to construct proposed streetscape improvements on Dr. Martin Luther King Jr. Boulevard (Hammondville Road) from I-95 to Powerline Road and authorize disbursement of \$3,672,180.00 pertaining to the City's grant matching funds. FDOT will receive the funds and continue to manage construction services on behalf of the City and all other participating municipalities related to streetscape improvements funded by a **Transportation Investment Generating Economic Recovery ("TIGER")** grant.

The City Commission has already approved Resolution 2017-173, which authorized executing a LFA with FDOT as well as Amendment One approved via Resolution 2018-158 that allowed FDOT to commingle procurement of design services with those for other municipalities.

This Resolution is requested to be added to the December 11, 2018 City Commission's agenda.
