Plat Review  
Re: IMECA PLAT P&Z#20-14000016

To whom it may concern:

We are requesting a revision to the already presented plat as a recommendation from Broward County pre-app meeting. They proposed to only plat the parcel to the South abutting NW 4<sup>th</sup> Street since we do not have a proposed development for the northern parcel.

Should you have any questions, do not hesitate to contact us.
