Pompano City Commission:

To Whom It May Concern:

In regards to a land abandonment hearing held on Wednesday September 28, 2016, I stated that I would need more time to decide if I was willing to accept the additional land adjacent land to my property located on 871 SW 8<sup>th</sup> Street Pompano Beach. I was awaiting to hear back from property appraiser in regards to how much my taxes, and value would increase value if I did obtain the additional land. In getting more information after the hearing I am in favor of taking the additional land and having it under a separate folio number separate from my resident. Property Appraise has advised me that this possible I would just need to provide survey of land.

This is my final decision to obtain the additional land and I would like my decision to be considered by the commission in the next hearing and to have land survey provided to me to have submit to property appraiser for new folio number.

Thank You
