5. The Applicant shall bear all additional costs associated with the naming or re-naming of the City parks and facilities, including but not limited to, the cost of City mailings, recording, administration, and the costs of all facility and park signage. Complete funding for the name change must be paid prior to the commencement of any work.

### **PARKS AND FACILITY NAMING OR RE-NAMING CRITERIA**

1. The individual has a long and exemplary military, private or public service career that has been the subject of award or recognition; has engaged in conduct which has brought significant positive statewide, national or international recognition to the City or their community through their accomplishments. The individual should also have made a significant contribution to the community's good name and image through volunteerism, leadership, financial contribution and/or other quality services.
  - a. If the naming is associated with an organization, the organization should be in good public standing and have made a significant contribution to the community's quality of life that brought statewide and national attention. The contribution should have significantly and demonstratively contributed to the public's safety and overall well-being.
2. If the proposed park or facility name is for an individual (posthumously only), the application shall, at a minimum, contain documentation of the prospective individual's historical significance in the form of biographies, awards, magazines, newspaper articles, essays, letters and similar materials describing the prospective individual's historical significance and proof of City residency.
3. The proposed name should not duplicate the name of another site or facility within the City of Pompano Beach. Consideration shall be given to whether the proposed name already exists at another site or facility within Broward County. Similar applications for a park or facility denied by the City within three (3) years of the current application are considered ineligible.
4. The proposed name may enhance the historic integrity of the site. Consideration shall be given to whether there is historical significance, geographical identifiers, and/or natural characteristics at the site.
5. The proposed name should not be associated with the support of discrimination, or considered derogatory or socially unacceptable.
6. The proposed name should not negatively impact the provision of emergency services. The change should not result in confusion related to identifying and/or providing efficient access for emergency purposes.

7. The proposed name change should not have an existing co- designation on the park or facility for which the change is being requested.
8. The City has final approval on the design and placement of markers and/or signs on City parks and facilities.
9. The Mayor and City Commission are authorized to approve naming of all City facilities after any persons, deceased or living, upon a determination that exceptional circumstances exist as justification for such action.

**Acknowledgement**

I understand that this application, if approved, applies only to naming or renaming or commemoration of City-owned properties or building facilities and interior spaces thereof, and is not approval or assurance of compliance with any other City regulation, code, or ordinance. Any information, technical assistance, or review comments by any City official are intended solely as information guidance, and are neither a determination of compliance nor binding on any agency with code enforcement responsibilities of the City.
