Re: Resolution Request

The City of Pompano Beach has been presented with a new fee schedule from PMG Associates, Inc. to ensure PBFR has an up to date fee schedule. PMG Associates, Inc. evaluated our fees and provided several recommendations to bring PBFR to a midpoint based on the back-up provided. This evaluation will allow us to continue moving forward with the new fee schedule, as well as, follow the recommendation of reevaluation every three to five years.

I kindly request a Resolution for the City Commission to ratify the agreement signed by the Mayor on behalf of the City of Pompano Beach. This Resolution is requested to be added to the April 27, 2021 City Commission meeting agenda.
