**MEMORANDUM NO. 25-37**

**DATE: May 27, 2025**

**TO: Gregory P. Harrison, City Manager**

**VIA: A. Randolph Brown, Utilities Director**

**FROM: Mondy Claude, Utilities Business Operations Analyst**

**SUBJECT: Amendment 1 to SRF loan SW0624B0**

---

On January 9, 2024, city officials approved Resolution 2024-55, which authorized the Utilities Department to apply for and accept a \$4,735,500 loan from the State of Florida Department of Environmental Protection under the State Revolving Fund (SRF) for the South Riverside Drive Stormwater Improvement Project (SW0624B0).

We have encountered delays in acquiring a utility easement for the pump station outfall and are still waiting for the Army Corps of Engineers (ACOE) to issue the necessary permits. Due to these circumstances, we are requesting an extension to update the project's completion date from October 15, 2025, to February 15, 2027.

**Recommendation**

Since the loan amount and the project were not modified, the Utilities Department recommends that city officials sign Amendment 1, extending the project's completion date to February 15, 2027.
