

Memorandum No. 20-44

DATE: July 2, 2020

TO: Mark Berman, City Attorney

FROM: Anthony Alhashemi, Project Manager I

SUBJECT: Request for Resolution -RFQ E-21-19-
Engineering Design and Consulting Services for Stormwater
Improvements for N. E. 27th Ave. & 16th St. (Project I) and Atlantic
Blvd & S.Riverside Dr. (Project II).

Background:

RFQ E-21-19 ranking was approved by Commission on February 11, 2020. RFQ E-21-19 was issued to select a single firm to provide Engineering Design and Consulting Services for Stormwater Improvements for N. E. 27th Ave. & 16th St. (Project I) and Atlantic Blvd & S.Riverside Dr. (Project II). The City's 2013 stormwater master plan had identified projects mentioned as areas that are currently prone to flooding. The stormwater master plan lists the projects mentioned as the next priority to be designed to resolve flooding issues. The design cost, listed in "Exhibit A", for N. E. 27th Ave. & 16th St. (Project I) is \$230,315.00 and the cost for Atlantic Blvd & S.Riverside Dr. (Project II) is \$272,645.00. The cumulative cost for both projects totals \$502,960.00.

Recommendation:

Based on City Commission approval of RFQ E-21-19, Staff recommends utilizing Chen Moore and Associates, Inc. for the agreed amount of **\$502,960.00**.

Please find the Agreement for Professional/Consulting Services between City of Pompano Beach and Chen Moore and Associates, Inc. along with Exhibit A: Scope of Services, Exhibit B: Insurance Requirements and Exhibit C: RFQ E-21-19 in the share drive address below:
