I acknowledge that the City **Zoning Code** (Section 155.2301. B. 1. ) requires a pre-application meeting with city staff for Major Site Plan and Building Design.

I further acknowledge:

- that the proposed development for a project, at the above referenced property, in the City of Pompano Beach is included in this list.
- that the purpose for the pre-application meeting is to the benefit of the Applicant, to provide an opportunity to become familiar with the requirements of the applicable codes, procedure and potential impacts of the proposal.
- that pre-application meetings are scheduled much more frequently, than Development Review Committee (DRC) Meetings.

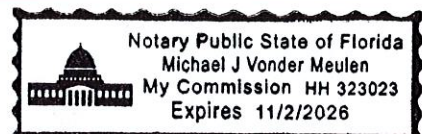

Understanding that the pre-application meeting requires conceptual drawings, and I (*as the Applicant or the Applicants representatives*) believe that the plans submitted exceed the minimum conceptual review & prefer to submit directly staff for the next level of review.

BEFORE ME, the undersigned authority, personally appeared Michael Amodio (PRINT NAME) who after being duly sworn, deposes and says: *That I am the person whose signature appears below, and that the information I have provided above in this document is true and correct.*
