**STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION
JOINT PARTICIPATION AGREEMENT**

THIS Joint Participation Agreement (hereinafter referred to as "Agreement"), entered into this 4th day of June, 2021, by and between the State of Florida Department of Transportation hereinafter called the DEPARTMENT, and City of Pompano Beach, at 100 W. Atlantic Blvd., Pompano Beach, FL 33060, hereinafter referred to as the PARTICIPANT.

WITNESSETH

WHEREAS, the DEPARTMENT and the PARTICIPANT are desirous of having the PARTICIPANT make certain enhancements in connection with Financial Management (FM) Number 441628-2-58-01 (Funded in Fiscal Year 2020 - 2021) for the roadway improvements along SR-A1A from Sunset Lane to S.E. 1st Street in Broward County, Florida. Refer to **Exhibit A** attached hereto and made of part hereof; and

WHEREAS, for purposes of this Agreement, enhancements to be made as stated above are hereinafter referred to as the Project; and

WHEREAS, said Project is on the State Highway System, is not revenue producing and is contained in the DEPARTMENT'S Adopted Work Program; and

WHEREAS, the improvements are in the interest of both the PARTICIPANT and the DEPARTMENT and it would be more practical, expeditious, and economical for the PARTICIPANT to perform such activities; and

WHEREAS, the PARTICIPANT by Resolution No. 2021-178 adopted May 25, 2021, a copy of which is attached hereto and made a part hereof, authorizes the proper officials to enter into this Agreement.

NOW, THEREFORE, in consideration of the mutual benefits to be derived from joint participation on the Project, the parties agree to the following:

1. The recitals set forth above are true and correct and are deemed incorporated herein.
2. The PARTICIPANT shall be responsible for assuring that the Project complies with all applicable Federal, State and Local laws, rules, regulations, guidelines and standards.

3. The DEPARTMENT agrees to make all previous studies, maps, drawings, surveys and other data, and information pertaining to the Project available to the PARTICIPANT at no extra cost.
4. The PARTICIPANT shall have the sole responsibility for resolving claims and requests for additional work for the Project. The PARTICIPANT will make best efforts to obtain the DEPARTMENT input in its decisions.
5. Except as otherwise set forth herein, this Agreement shall continue in effect and be binding to both the PARTICIPANT and the DEPARTMENT until the Project is completed as evidenced by the written acceptance of the DEPARTMENT or December 31, 2022, whichever occurs first.
6. The DEPARTMENT agrees to pay the PARTICIPANT for the Project described in **Exhibit A** of this Agreement. The total DEPARTMENT share towards this Project is an estimated amount not to exceed SIX HUNDRED SEVENTY NINE THOUSAND ONE HUNDRED FIFTY THREE DOLLARS AND NO CENTS (\$679,153.00), for actual costs incurred. In the event the actual cost of the Project exceeds the DEPARTMENT'S share of SIX HUNDRED SEVENTY NINE THOUSAND ONE HUNDRED FIFTY THREE DOLLARS AND NO CENTS (\$679,153.00), any additional cost shall be the sole responsibility of the PARTICIPANT.
7. The PARTICIPANT acknowledges and agrees that the DEPARTMENT'S obligation to pay the sum set forth herein is contingent upon an annual appropriation by the Florida Legislature.
8. The PARTICIPANT is required to apply for and obtain a construction agreement permit, from the DEPARTMENT, for this Project. The PARTICIPANT shall not commence with the construction of the Project until all necessary permits are obtained, and the DEPARTMENT has provided the PARTICIPANT with a Notice to Proceed (NTP) for construction.
9. The PARTICIPANT must certify that the consultant has been selected in accordance with the Consultant Competitive Negotiation Act (Section 287.055, Florida Statutes). Consultants must be prequalified by the DEPARTMENT for design and construction engineering inspection services, respectively.
10. The Project shall be designed and constructed in accordance with the latest edition of the DEPARTMENT'S Standard Specifications for Road and Bridge Construction and DEPARTMENT Standard Plan and Manual of Uniform Traffic Control Devices ("MUTCD"), the DEPARTMENT Structures Design Manual, AASHTO Guide Specifications for the Design of Pedestrian Bridges, AASHTO LRFD Bridge Design Specifications, the Florida Design Manual (FDM), Manual for Uniform Minimum

Standards for Design, Construction and Maintenance for Streets and Highways (the "Florida Green Book") and the DEPARTMENT Traffic Engineering Manual.

11. Contractors or their subcontractors must be prequalified by the DEPARTMENT, as required by Section 2 of the Standard Specifications for Road and Bridge Construction (2021), as amended.
12. The CEI services will be provided by hiring a DEPARTMENT prequalified consultant firm including one individual that has completed the Advanced Maintenance of Traffic Advanced Level Training. The CEI staff shall be present on the Project at all times that the contractor is working. Administration of the CEI staff shall be under the responsible charge of a State of Florida licensed Professional Engineer. The DEPARTMENT shall approve all CEI personnel in writing. The PARTICIPANT is hereby precluded from hiring the same consulting firm providing design services.
13. The PARTICIPANT shall furnish Construction Engineering Inspection (CEI) Services for the Project at its sole cost and expense.
14. The PARTICIPANT shall provide quantifiable, measurable, and verifiable units of deliverables. The Project, identified as Project Number 441628-2-58-01, and the quantifiable, measurable, and verifiable units of deliverables are described more fully in **Exhibit B**, Deliverables, attached hereto and made apart hereof. The PARTICIPANT must obtain the prior written approval from the DEPARTMENT, if deviating from the Deliverables in **Exhibit B**, prior to the PARTICIPANT implementing the changes.
15. The PARTICIPANT may be paid based on the approved progress reports by the DEPARTMENT and is further conditioned upon the deliverables set forth in Exhibit B being achieved. The PARTICIPANT will submit a written progress report by the 15th day of each month detailing the actual construction/ services performed by the PARTICIPANT. Upon completion of monthly services, the PARTICIPANT will notify the DEPARTMENT's Project Manager, and/or the Department's Operations Engineer, who will be responsible for verification and acceptance of the services performed/deliverables.
16. Invoices shall be submitted by the PARTICIPANT, on a quarterly basis, in detail sufficient for proper preaudit and postaudit thereof, based on the quantifiable, measurable, and verifiable units of deliverables as established in **Exhibit B**. Deliverables must be received and accepted in writing by the DEPARTMENT's Project Manager prior to payments.

All invoices submitted to the DEPARTMENT, by the PARTICIPANT, must be supported by approved progress reports substantiating the work performed and the amount invoiced, based on the services completed.

17. There shall be no reimbursement for travel expenses under this Agreement.
18. The PARTICIPANT must submit the final invoice to the DEPARTMENT within 180 days after the final acceptance of the Project. Invoices submitted after the 180 days time period may not be paid. The final balance due under this Agreement will be paid upon the completion of all Project services, receipt of a detailed progress report, and when the Project has been inspected, approved, and accepted to the satisfaction of the DEPARTMENT in writing.
19. Upon completion of the work authorized by this Agreement, the PARTICIPANT shall notify the DEPARTMENT in writing of the completion of construction of the Project; and for all design work that originally required certification by a Professional Engineer, this notification shall contain an Engineers Certification of Compliance, signed and sealed by a Professional Engineer, the form of which is attached hereto and made a part hereof, as **Exhibit C**, Engineers Certification of Completion. The certification shall state that work has been completed in compliance with the Project construction plans and specifications. If any deviations are found from the approved plans, the certification shall include a list of all deliverables along with an explanation that justifies the reason to accept each deviation. The final invoice shall be accompanied by a Notice of Completion, **Exhibit "C"**.
20. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under ***Chapters 215 and 216, F.S.*** If the DEPARTMENT determines that the performance of the PARTICIPANT is unsatisfactory, the DEPARTMENT shall notify the PARTICIPANT of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the DEPARTMENT. The PARTICIPANT shall, within five days after notice from the DEPARTMENT, provide the DEPARTMENT with a corrective action plan describing how the PARTICIPANT will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the DEPARTMENT, the PARTICIPANT shall be assessed a non-performance retainage equivalent to 10% of the total invoice amount. The retainage shall be applied to the invoice for the then-current billing period. The retainage shall be withheld until the PARTICIPANT resolves the deficiency. If the deficiency is subsequently resolved, the PARTICIPANT may bill the DEPARTMENT for the retained amount during the next billing period. If the PARTICIPANT is unable to resolve the deficiency, the funds retained may be forfeited at the end of the Agreement's term.
21. The PARTICIPANT agrees to comply with **Section 20.055(5), F.S.**, and to incorporate in all subcontracts the obligation to comply with **Section 20.055(5), F.S.**

22. The PARTICIPANT providing goods and services to the DEPARTMENT should be aware of the following time frames. Inspection and approval of goods or services shall take no longer than 5 working days unless the bid specifications, purchase order, or contract specifies otherwise. The DEPARTMENT has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.
23. If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to **Section 55.03(1), F.S.**, will be due and payable, in addition to the invoice amount, to the PARTICIPANT. Interest penalties of less than one (1) dollar will not be enforced unless the PARTICIPANT requests payment. Invoices that have to be returned to the PARTICIPANT because of the PARTICIPANT preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the DEPARTMENT.
24. A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for contractors/vendors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.
25. The PARTICIPANT shall maintain an accounting system or separate accounts to ensure funds and projects are tracked separately. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the DEPARTMENT at all times during the period of this Agreement and for five (5) years after final payment is made. Copies of these documents and records shall be furnished to the DEPARTMENT upon request. Records of costs incurred includes the PARTICIPANT's general accounting records and the Project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the Project, and all other records of the contractor and subcontractors considered necessary by the DEPARTMENT for a proper audit of costs.
26. In the event this contract is for services in excess of TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) and a term for a period of more than one year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

"The DEPARTMENT, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The DEPARTMENT shall require a statement from the Comptroller of the department that such funds are available prior to entering into any such

contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the DEPARTMENT which are for an amount in excess of \$25,000.00 and which have a term for a period of more than 1 year."

27. The PARTICIPANT will comply with all Federal, State, and Local laws and ordinances applicable to the work or payment for work thereof, and will not discriminate on the grounds of race, color, religion, sex, national origin, age, or disability in the performance of work under the Agreement.
28. The PARTICIPANT is required to provide a formal written resolution approving the scope of this Agreement and all other proposed construction work along SR-A1A, within the city's limits. This resolution must be provided before the commencement of the construction work of the Project.

The PARTICIPANT is required to hold public hearings in order to gain public support/endorsement of the scope of this Agreement and all other proposed construction projects and access management plans along SRA1A within the city's limits. This resolution must be provided before the commencement of the construction work of the Project.
30. The PARTICIPANT agrees to include the following indemnification in all contracts with contractors, subcontracts, consultants, and subconsultants who perform work in connection with this Agreement:

To the fullest extent permitted by law the PARTICIPANT's contractor shall indemnify and hold harmless the PARTICIPANT, the DEPARTMENT, and its officers and employees, from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of contractor and persons employed or utilized by the contractor in the performance of this Agreement.
