MEMORANDUM #24-40

DATE: April 15, 2024

TO: Gregory P. Harrison, City Manager
Brian Donovan, Assistant City Manager

VIA: A. Randolph Brown, Utilities Director
Nathaniel J. Watson, Utilities Field Operations Superintendent

FROM: Bobby Clayton, Wastewater Pumping Manager

SUBJECT: RFPE-0424 Lift Station Rehabilitation and Repairs Services Ordinance

Request for proposal RFPE-0424 was issued to establish an as-needed lift station rehabilitation contract with Trio Development Corporation. This contract is designed to provide comprehensive wastewater lift station rehabilitation and repair services and associated appurtenances for Wastewater Services. The scope of work encompasses all necessary labor, materials, equipment, tools, and incidentals to effectively execute all tasks related to the rehabilitation and repair of sewer lift stations.

Recommendation

The Utilities Department recommends that City Officials approve the recommendation presented by the Selection/Evaluation Committee and approval to authorize the execution of a construction agreement with Trio Development Corporation, which has been determined to be responsive and responsible.
