Zoning Board:

This email is in reference to a letter received Variance P & Z: 23-11000004.

As homeowners and long time residence we feel that the Zoning Codes should remain as is.

These neighborhood properties are very close to one another already.

Throughout the years we have seen many investors purchasing properties and converting them into Airbnb properties which makes the neighborhood very noisy at times.

Encroaching any more into the setback of 15ft should not be allowed. We feel this would be unfair for local residence's in this area.

So, we are against this appeal.

We expect our privacy to remain anonymous in this matter in order to keep the peace and avoid a feud between neighbors.

Sincerely,  
Diane Vargas
